

Charity Link

Western Australian Charities Working Together

By donating to Charity Link you help more than 100 charities to make a difference to 1000s of West Australians in need

Who is Charity Link?

Charity Link is a collaborative charity organisation that co-ordinates several annual appeals on behalf of 100+ 'member' charities in all regions of Western Australia.

Established in 2001, Charity Link acts as a central fundraising and coordinating body that provides material aid via our 'member' charities to West Australians experiencing financial hardship and/or crisis.

In particular, we manage the distribution of new blankets and sleeping bags during winter, and food and toys at Christmas.

Your donation goes further to make a real difference

By working together and using a collaborative approach, Charity Link is able to minimize the cost of fundraising, reduce duplication and competition for funds and as such, ensure the optimal use of resources to make the biggest difference possible.

Therefore, despite the tremendous growth in the number of people requesting assistance, Charity Link has provided more than \$3.5 million of material aid to almost 90,000 West Australians since 2002.

Thanks to the support of Lotterywest – who pay all of our administration costs – Charity Link is able to guarantee **100% of all donations go directly to helping West Australians in need.**

My gift to Charity Link

I'd like to make Christmas brighter for more than 100 charities and 1000s of West Australians in need by donating to Charity Link. \$10 will provide someone with a complete Christmas Meal, \$40 will feed a family of four. (please tick)

\$200 \$100 \$40 \$300 \$20 Or \$.....

Payment method
